Dear Parents/Carers,

We have discovered a gaming app through the press that we feel we should make you aware of. As you are know from my previous letters we have a duty of care for our pupils and are striving to do all we can to ensure that you are given the latest information to help safeguard our young people.

The gaming app is called ROBLOX and looks just like a LEGO game. However, concerns have been raised that there is a messaging facility as part of the game where youngsters can be contacted by strangers. The app states that it is '*the best place to imagine with friends*' but there is no way to screen contacts or disable the messaging. Please would you be vigilant and encourage your child to stay clear of this.

Should you have any questions please do not hesitate to contact me. I look forward to seeing you at an upcoming school event.

Yours sincerely,

David Wright
Deputy Headteacher
