

Our Ref: DWt/JCh

10th January 2017

Dear Parents/Carers,

As you know from my previous correspondence we have a duty of care for our pupils and are striving to do all we can to ensure that you are given the latest information to help safeguard our young people. We have recently received information about a young American girl tragically ending her own life live on an App called live.me and some of our pupils have potentially had access to this. This will no doubt cause great distress to anyone who has seen this. We have support in school through counsellors and other professionals should any young person need it.

Please would you continue to have open conversations about what can be seen online with your children. Whilst the internet is a huge force for good there are some things there that are not appropriate to be viewed by younger people as it could well have a negative impact.

Should you have any questions please do not hesitate to contact me. I look forward to seeing you at an upcoming school event.

Yours sincerely

Mr David Wright
Deputy Headteacher
