

We are delighted that we have formally signed to be a Saracens partner School for the 2017/18 season this is a fantastic opportunity for the school to work with the current European Rugby Champions to support the growth of our Rugby programme. This partnership will enable the schools players and staff to benefit from exclusive access to Saracens development training for Rugby including strength and conditioning.

As part of the agreement we are delighted to announce that Woodlands will be a Saracens Academy S&C performance centre where academy players and Woodlands EPD Rugby players will train once a week under the guidance of top class coaches.

We will also have the opportunity to attend games and host Saracens Rugby camps in conjunction with premiership Rugby (PRL). There will also be opportunities for players to be coached by Saracens coaches.

In return we will be a host venue for Saracens Academy pathway training sessions and host festivals.

This partnership will enable Woodlands to work closely with one of the premier Rugby clubs in Europe to provide support, resources and development opportunities. This partnership will allow Woodlands Rugby staff to benefit from the expertise and support of Saracens coaches.

This partnership will ensure that our young Rugby players can be exceptionally well supported to be the best players they can be.
