

Can't read, can't write

10 Reading TIPS

1. Get them reading to you, children who read a loud to someone at home make MORE progress than those who don't.
2. Help them sound out difficult words.
3. Use a ruler to guide their eyes over each line, don't rush- absorb.
4. Your child should be able to read most of a page of a book and tell you what has happened, ask them to summarise each page.
5. Look at their school books and see what common mistakes they have.
6. Go to the library, go and see what is on.
7. Read Everything- supermarket, TV guide, synopsis of the film, what the video games about, online football reports, the menu...anything!
8. Read with them, read whatever they are so you can discuss it.
9. Come to school and read- join our clubs.
10. Encourage, enthuse, inspire..
