

Sports Award Evening

Welcome to Woodlands School Sports Award Evening Programme

Introduction and Welcome

Andy Badger, Head of Faculty

Good evening and welcome to our 2017 Sports Awards Evening. It's a pleasure to see you all here tonight to celebrate our pupils' achievements and successes on the sporting front.

This year has provided Woodlands School with so much to celebrate within sport and dance. Tonight our pupils will be recognised for their achievements as individual competitors or as members of a team and together we celebrate their hard work, dedication and motivation to pursue excellence within sport.

Head Teacher's Address

Simon Cox

Sport is an integral part of life for pupils at Woodlands School. I am extremely fortunate that I am able to enjoy pupils of all levels participating in sport at Woodlands School and excelling in many aspects; both as an individual and as part of a team.

Your young person is in attendance tonight because they have followed our motto; Pursue Excellence and Seize Opportunities. I would like to congratulate them on their sporting success and I know this will work in tandem with the pupils aspiring for academic success as well.

Thank you for your continued support of our pupils accessing Elite sport at Woodlands School.
