

April 2018

Dear Parents/Carers,

As you know from my previous correspondence we are doing what we can to ensure that you are given the latest information to help safeguard our young people. It has been brought to our attention by National Online Safety that Snapchat, the social media app, has been flagged by the NSPCC as being one of the main sources of online grooming over the past six months. Their guide below informs us about the dangers associated with the app and how we can reduce the risks.

Please take some time to have a look at the link:

Should you have any questions please do not hesitate to contact me. I look forward to seeing you at an upcoming school event.

Yours sincerely,

David Wright

Deputy Headteacher
