

Our Ref: SCo/MAI

June 2018

Dear Parent/Carer,

With growing financial pressures on families and a desire to offer our pupils more opportunities to enrich their educational experience, we are going to include an enrichment week for Year 7/8/9 in the 2018/19 school calendar.

Having presented to our Governing Body in June, I can inform you that 15th July to 19th July 2019 will be classed as an enrichment week on a trial basis. Our Year 10 pupils will be on work experience and our Year 11s will have completed all of their exams.

Should you wish to use this allocated week to provide your child with an enrichment visit you will need to complete a leave of absence form, which can be found on our website, your child will also be expected to complete the 'Enrichment Booklet' so we can be kept updated with your child's progress.

It is hoped that this will allow you to provide opportunities that are more affordable as they are out of the school holidays.

A full list of enrichment activities will be provided in school during this week and full attendance is expected unless the enrichment week documents have been completed.

I hope that you agree that this is an exciting opportunity for your child to enrich their experiences outside the classroom at a more affordable time. Holidays at any other time of the year will not be granted and this enrichment week is not transferable to any other week in the school year.

I would like to thank you for your continued support.

Yours sincerely

Mr S Cox
