Dear Parents/Carers,

As you know from my previous correspondence we are doing what we can to ensure that you are given the latest information to help safeguard our young people. We have been given information from Southend-on-Sea Borough Council that they have launched their 'See The Signs Campaign' which provides detailed advice and guidance on County Lines. Whilst there is no evidence of our young people being affected by this, we thought it only right to pass on details of their website.

County Lines is where criminal gangs target young people to move drugs and money in and out of cities and large towns. The website is very informative and will answer a lot of your questions.

Please take some time to have a look at the link:

Should you have any questions please do not hesitate to contact me. I look forward to seeing you at an upcoming school event.

Yours sincerely,

Mr David Wright
