10<sup>th</sup> December 2018

Dear Parent/Carer,

May I take this opportunity to once again remind families that it is good practice for pupils to travel in small groups to safeguard themselves and ensure their journey to and from school is safe. If pupils do feel unsafe then they should either return to school or call 999 if an immediate concern.

Senior staff do monitor the surrounding streets and areas but it is advisable for families to regularly discuss personal safety, this will be supported by the curriculum that we provide for all pupils.

Thank you for your continued support and I look forward to seeing you at an upcoming event.

Yours sincerely

Mr D Wright  
Deputy Head Teacher
