A range of activities will be on show including painting, photography and studio set up. Visitors will be able to take part in an interactive task.

AROE

LOCATION: AR2 & AR4

A range of activities and information regarding our AROE curriculum (Relationships, Health & Wellbeing, and Living in the Wider World); see how we embed the AROE ethos at the centre of our school.

ARCHITECTURE

LOCATION: AR2 & AR3

Pupils will have an opportunity to explore the Technology workshops as well as viewing our Key Stage 3 & 4 curriculum.

ASPIRATIONS

LOCATION: FACULTY HUB &
SPEECH & LANGUAGE ROOM

We will have an assortment of activities e.g. word searches, code breakers, Maths activities, building blocks, mindful colouring, & Lego for you to participate in.

BUSINESS STUDIES

LOCATION: OPPORTUNITIES HUB

Are you the next Jeff Bezos? Gain insight into Business Studies by:

- 1) Matching the entrepreneur with their product/service.
- 2) Matching the logo to the brand.
- 3) Product and price matching.

CITIZENSHIP, SOCIOLOGY, PHILOSOPHY

LOCATION: G7

Test your knowledge about life in modern Britain, learn about democracy and being a citizen through fun activities and board games.

CONSTRUCTION

LOCATION: RESILIENCE BUILDING

Pupils will have an opportunity to explore the construction facilities and see current pupils actively showcasing their skills and knowledge of the construction industry.

DANCE

LOCATION: DR2

APT Dance will be rehearsing performance pieces and choreographing their own numbers.

DRAMA

LOCATION: DR1

GCSE Drama students will be leading some games, as well as a selfie studio using the props and costumes.

ENGLISH

LOCATION: M2, M3, M4 & M5

A range of interactive activities are available in M2, M3 and M5; Shakespearean fighting and insults; 'tasting and describing'; a book competition; create a hero or villain and build your own story. English GCSE texts, pieces of work from our GCSE pupils as well as KS3 curriculum information will be in M4.

EPD

LOCATION: OUTSIDE THE SPORTS HALL

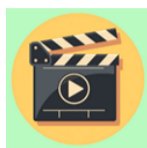

The EPD enquiries desk will have information about our EPD programmes which include Basketball, Netball, Football, Athletics & Rugby, as well as how to apply for our Sports Aptitude test.

FILM STUDIES

LOCATION: AR2 & AR4

Come and explore the world of film. Guess the films from the emojis. Take a picture battling Lord Voldemort with our props and costumes. Create a soundtrack to a movie using our computers and pianos, & find out more about the wonderful world of film.

FOOD

LOCATION: TE4 & TE5

Come and visit our kitchen crime scene and identify the different hazards that you could find in a kitchen.

Why not try your hand at biscuit decorating with our Year 9 and 10 pupils.

FRENCH, GERMAN, SPANISH

LOCATION: M12 & M13

Come and practise your favourite language or learn a few phrases in a new one. Online interactive activities; French handwriting classes; matching numbers, months and colours all for small prizes.

GEOGRAPHY

LOCATION: G1

In Geography you will be able to take part in a number of interactive activities.

These include; how to plan for an earthquake, designing a rainforest animal, completing the grid reference challenge, and sharing your connection to the world.

HAIR & BEAUTY

LOCATION: RESILIENCE BUILDING

Pupils will have an opportunity to explore the hair salon and the display of learners' work, with our pupils demonstrating their skills in hair and beauty.

HISTORY

LOCATION: G8 & G9

In our KS3 room, pupils will have the chance to play their historical cards right, identify people from the past and map key historical events. In our KS4 room visitors will have the opportunity to learn about the historical journey our pupils take during their time at Woodlands.

ICT & COMPUTER SCIENCE

LOCATION: TE6

Explore the inner workings of a computer. Take part in some media, IT and computer science quizzes and other activities.

MATHEMATICS

LOCATION: G15 & 17

IT based maths activities with pupils, course content, fun mathematical puzzles and activities.

MUSIC

LOCATION: MU1, MU2, MU3 & REHEARSAL ROOM & STUDIO

APT pupils will be working on performance pieces as well as recording in the studio.

A variety of instruments are available to use as well as information regarding the various courses offered.

PE
